

## Advantage StretchWrap

### Benefits

- Recyclable paper with no coating
- 100% fresh long softwood fibres
- Circular driven solution of high recycling value
- Safe for transport (EUMOS standard)
- Exceptional tensile energy absorption (TEA)
- High quality responsibly sourced Nordic fibres

### End-uses

- The new Advantage StretchWrap is a machine finished paper that replaces plastic stretch film.
- For wrapping pallets with flat sides with no sharp corners, e.g. boxed goods, dry goods (e.g. paper sacks), PET bottle multipacks, food jars etc.
